

Quality Starts with Corning® Stripettes®

CORNING

Buy 10 cases of Corning Stripette Serological Pipets and get a free Stripettor™ Pipetting Aid.

(details on back).

Are you spending a lot of time and using a lot of materials re-doing procedures with pipets that are leaking at the seam, dripping from the tip, contaminating your workspace or transferring inaccurate volumes? Then switch to Corning Stripettes and spend less time, waste fewer materials, and have more confidence in your results.

Save time and money by using Corning's high quality Stripettes:

- ▶ RNase-/DNase-free to prevent contamination
- ▶ Nonpyrogenic to promote effective cell growth
- ▶ Color-coded magnifier stripe to easily see meniscus volume
- ▶ Anti-drip tip and strong seal to prevent leaks and assure accurate transfer volumes and uncontaminated workspaces

- RNase-/DNase-free
- Nonpyrogenic

Anti-drip tip

Strong seal to prevent leaks at the seam

Color-coded stripe for magnified volume and meniscus reading

Also available in triple-bagged packaging

Bonus Offer

All completed forms will be entered into a prize draw to win €50 worth of Ovation Shopping Vouchers!
